

The slide features a dark blue background with decorative geometric patterns on the left and right sides. These patterns consist of overlapping, stylized arrow-like shapes pointing towards the center. The colors used in these patterns include yellow, magenta, cyan, and grey. The main text is centered in the upper half of the slide.

*Cyber Bullying is not good*

# What is cyber bullying?

If you put mean comments on somebody's picture in the Internet that is cyber bullying. That person's feelings might get hurt and they will feel bad. Sometimes you don't know who is the person that is cyber bullying you. That would be a mystery you would want to know.

# Cyber Bullying could happen anywhere.

When you're on a blog and you post a picture a mean person could comment something mean and hurt your feelings.  
Some people can get cyber bullied by the same person. I have never cyber bullied I hope you haven't either.

# Why be a Cyber Bully?

Why be a cyber bully when you could be nice on the internet? Being nice is the best choice. If you were mean on the internet think about it . Would you like to get cyber bullied?

# What to do when you get Cyber Bullied.

When you get cyber bullied the best thing to do is to tell your parents about it. They might help you get it over with. If you know somebody that cyber bullies try to convince them to stop cyber bullying. Convince them so that person will be a better person on the Internet.

# Please Don't Be One

Nobody should be forced to cyber bully. You should be the only one that could decide for your online choices. If you are great person you should know that cyber bullying is not a great choice. If you know you are a cyber bully my advice for you is to STOP. I am saying this for your own good.
