

# BULLYING

By Chinyere Frye & Eduardo Amador

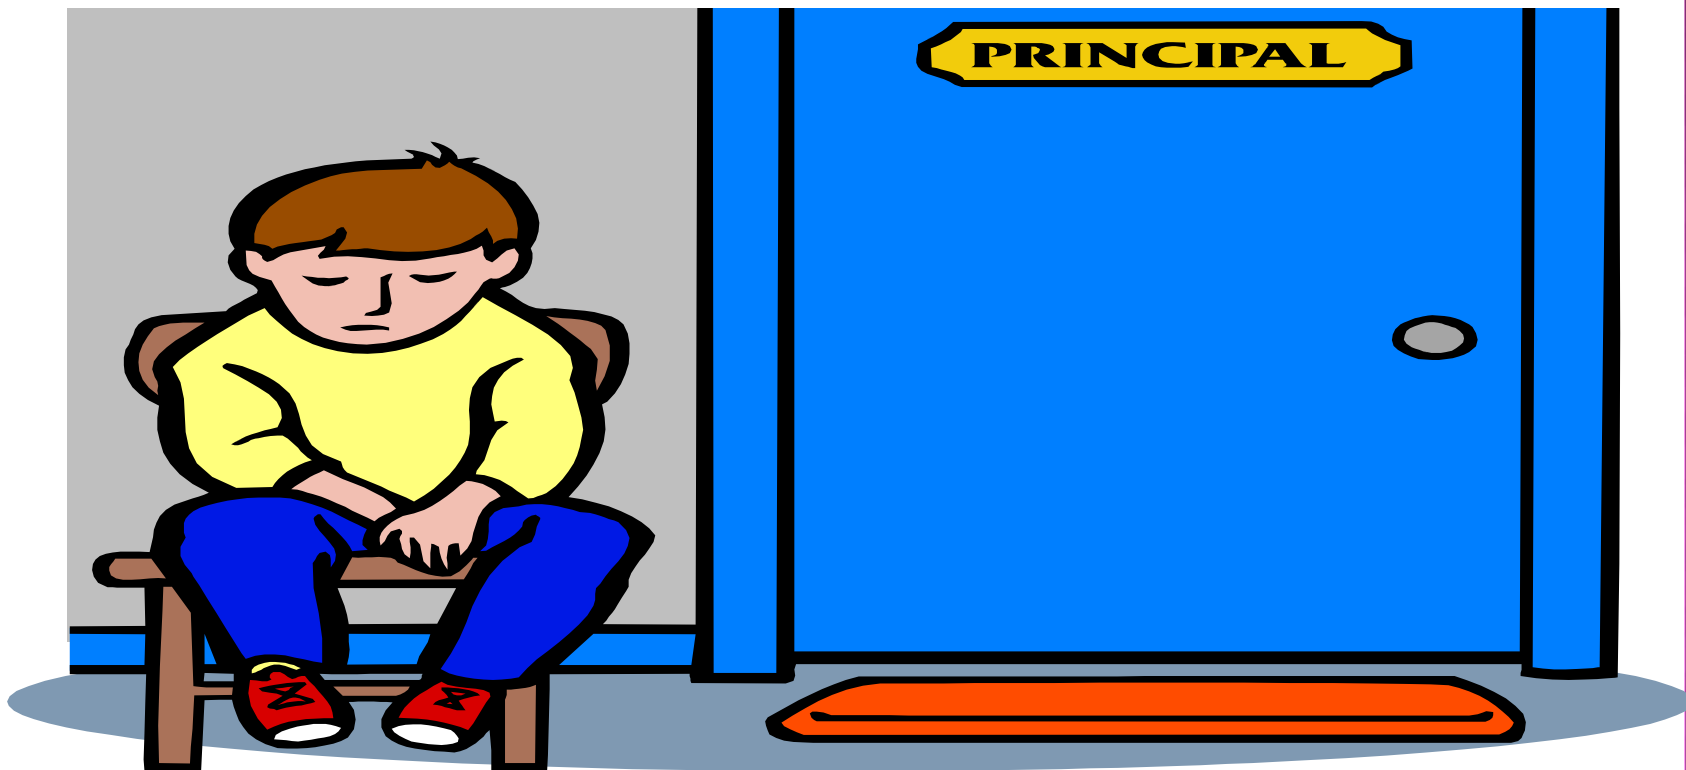

# NO CYBER BULLYING

Cyber bullying is not the right thing to do and this is why.

# IF YOU CYBER BULLY SOMEBODY YOU WILL BE IN BIG TROUBLE

When some one you don't know sends you a bad comment you should get offline and if they bother you tell your parents.

# IT IS SAFE ONLINE PEOPLE CAN'T SEE YOU

It is ok to stay online if no body bullies you.  
Sometimes cyber bullying can be very crazy.

# YOU MIGHT HURT SOMEBODY

And that's why cyber bullying is not cool.
