

# BE SAFE ON INTERNET

By: Maria Tovar Rea

# Don't be a Bully

He is being  
nice to her  
online.

# Don't send mean posts

Remember that you can get into a lot of trouble.

Mean posts can make you go to jail.

Mean post:  
You're writing is  
atrocious!

Kind post:  
You're  
super nice!

# What happens if you're nice on Internet!

- If you're nice on internet everybody will be nice to you too.
- This is one of my favorite sayings "Treat others how you want to be treated!"

# Please follow these ways to be safe on the Internet!

- Thank you for your support!

Thank you!!!!!!!
