

I have a dog, cat, and fish. They are great .

One dark day, the cat and dog ran away. I was not happy

But, my fish was in the house. I was happy my fish was in the house.

I went to look for my cat and dog but I could not find them.

I went back home and try to tell my fish to stay.

That night, I heard something coming upstairs. It was my cat and dog. I told my cat and dog it is great you came back.

went to my fish and try to tell my fish the cat and dog came back.

My fish went to his home. He was not happy that the cat and dog came back because the cat and dog does not like the fish.
