# Cyber Bullies

Anyone can be cyber bullies so watch out.  
If someone is a cyber bully to you DON'T bully them back.  
just go tell an adult if you can.  
If your friend is being cyber bullied give him positive feelings not negative feelings so whatever you do DON'T laugh! But if your friend is getting cyber bullied stick up for them or tell an adult. If you are being a cyberbully just think about how you would feel if you were getting cyber bullied.If your friend is getting cyber bullied try to convince the cyber bully to stop being a cyberbully.  
Without cyber bullies the world of technology will be a lot better place!
