November 2011

Dear Sixth Avenue Families,  
I hope that you all had a wonderful Fall Break and enjoyed special time with your children. We could not have asked for more beautiful weather in Colorado! We have successfully completed first quarter. Sixth Ave. students and teachers have been working very hard to set academic goals for the year and to progress toward those goals. During the weeks of October 10<sup>th</sup> and 17<sup>th</sup>, we celebrated our Honor Roll and Quarterly Student Awards. Honor roll students demonstrated proficiency in all content areas and have worked hard in class first quarter. The Students of the Quarter have shown improvement in academics and behaviors and have tried to be their best. On November 1<sup>st</sup>, we had the great honor of celebrating students with perfect attendance. These students come to school every day ready to learn! The purposes of having these celebrations are to honor their hard work and encourage other students to be their best as well. In our second quarter, we are excited to host a family potluck on November 9<sup>th</sup> from 5:30 – 7:00 pm. Our newly elected PTO president, Mrs. Sarah Albrecht, is excited to meet all of you and to share how you can get involved at Sixth Ave. The purpose of PTO is to help plan events for our school community as well as do fundraisers for the school. Please bring your favorite dish to share with other families and join this fun event. On November 16<sup>th</sup> from 6:00 – 7:30 pm, we will have our second Family Falcon Math/Literacy Night. We would like to provide you and your children a time and a place to work on some math/literacy activities together and to share the enjoyment of learning with your children. We invite all families to join us at these events to learn about things you can do with your children at home.

So many wonderful events and experiences are happening for our students at Sixth Ave. of which could not be done without you, our parent partners. We value your engagement in your child's school life. Together, we can make a positive difference in the hearts and minds of our students.

In Partnership,

*Grace Choi*

## Parent/Visitor

At Sixth Ave., we are always glad to have parents visit the classroom. In order to minimize disruptions to classroom learning, we ask that cell phones be silenced and no conversations between parents take place while visiting if they happen to be in classrooms at the same time. Also, if you must bring young siblings, we ask that arrangements be made in advance with Antonia Lopez, who will find child care during your visit. When you come to school, please stop by the Main Office to sign-in and receive a visitor pass. We also ask that you stop by the office prior to leaving the building in order to sign-out.

## Healthy Eating Habits for Your Children

If your child brings a sack lunch from home, please do not send any pop, soda or soft drinks. To encourage healthy eating, we do not allow students to drink soft drinks of any kind in the cafeteria.

## **SAFE AT SCHOOL**

Teachers and administrators put a lot of effort into making your youngster's school a safe place to learn and play. Of course, your child must do their part, too. Here's how.

- Follow school rules. Explain that rules keep students safe. By walking (not running) in the hallway and staying seated on the bus, for example, your youngster will help make sure no one gets hurt.
- Pay attention during drills. Listening to her teacher's instructions during fire drills will help your child be prepared. Idea: Let her teach you the drills, and practice them at home. Note: Remind your youngster never to go with a person she doesn't know. Also, she should tell a staff member if she sees an adult at school without a badge.♥
