Sixth Avenue Elementary would like to thank the more than forty students who showed up to sing at Town Centre on Friday, October 21st. Town Centre gives points to shoppers for shopping at Town Centre. The schools that do the most reported business earn a check for \$1,000 or maybe even \$1,500. Though we did not win a donation check from the mall this year we have won in the past. Our students went to sing a big "thank you" on behalf of all Aurora Public Schools. Students from 3rd, 4th and 5th grades plus a few younger friends and relatives stood on the mall stage and sang Jambo Sana (hello in five languages), our RISE school song and America the Beautiful before they handed out checks to the winning schools. After the ceremony our students sang Thank You and Adios, Amigos. Our students were complimented on their behavior, their confidence and presentation. We were told that our performance was "perfect, just what was needed." Many thanks to the families who took time out from their busy lives to come and sing thank you. It was a generous gesture at the beginning of a vacation week.
