September 2012

Dear Sixth Avenue Families,

As we begin the 2012-2013 school year, I hope you have enjoyed wonderful moments with your children. Our teachers spent the summer on a variety of adventures with a wedding, a new house, family reunions, travels, and new learnings. We are all excited to be back and eager to continue our mission of achieving academic excellence, building strong character, and enriching learning through creativity and critical thinking. We are fortunate to have a group of exemplary, talented professionals at Sixth Avenue.

I am honored to extend a warm welcome to the newest members of the Sixth Avenue team:

Nick Bleckley, a second grade teacher and Christopher Lopez, an ELA teacher leader/a second grade teacher. Every member of our staff, new and continuing, looks forward to partnering together with one another, and our community, where we not only inspire the hearts and minds of students, but also provide learning opportunities that promote growth and high achievement for all children.

We want to invite you to be active members of Sixth Avenue. There is no debate about the fact that family involvement in schools boosts student achievement. Families and parents can support their children's schooling by volunteering, attending school functions, and being aware of classroom activities. We consider you a partner and want to work closely with you in helping your child be successful in school. When the family is involved in their children's school, children benefit, schools benefit, and families benefit.

To stay informed and involved, please use our school website, <http://sixthave.aurorak12.org> as a resource for school information and schedule of events. Also, please use the APS Campus Portal to find instant access to accurate, current, and confidential information about your child(ren)'s school attendance, grades, class assignments and more! If you need help on how to use any of these resources, please let us know.

Whether you are new to Sixth Avenue or a continuing family, we welcome you to a new school year. It is our pleasure to partner with you in your child's success. Looking forward to a great year!

Grace

Afternoon Pick-up Procedure

We encourage parents not to make any changes in the transportation arrangements that are set at the beginning of the school year. If, however, changes do need to be made, please send a note to school in the morning specifying these changes. Include in this note the full name of the person who is picking up the student, not just "grandma" or "aunt". If it is absolutely necessary to have to make a change via telephone, please try to do it before 2:45 p.m.

Mark Your Calendar for our 1st Parent Coffee

We would love to see a big turn out for our first parent coffee of the year. Please plan to attend for an opportunity to meet and share great conversation with other parents and our administrative staff.
